## A Town Hall Meeting

Thursday, March 6, 2008

6 – 8:30 p.m.

The Kentucky International Convention Center  
221 Fourth St., Louisville, KY

How well are principals being prepared and supported —  
at a time when quality education is important?

Join your colleagues from P-12 education, higher education, business and government at this town hall meeting (part of the Kentucky Teaching and Learning Conference) to explore the roles and responsibilities of school leaders, the responsibility of the Commonwealth to prepare principals, and the conditions necessary for principals to lead schools in meeting proficiency for all students by 2014.

The meeting will include a panel discussion moderated by a New York Times reporter.
